CHAPTER I

Role & Functions :

The Sansthan was established in 1970 on the recommendations of the Kendriya Sanskrit Parishad as an autonomous organisation registered under the Societies Registration Act XXI of 1860 for the development and promotion of Sanskrit in the country. It functions as an apex body for the propagation and development of Sanskrit and assists the Ministry of Education in the formation of various plans and schemes for the development of Sanskrit studies. It has also assumed the role for effective implementation of various recommendations made by the Sanskrit Commission set up by the Govt. of India, Ministry of Education in 1956 for propagation and development of Sanskrit language and education in all its aspects.

The major objectives of the Rashtriya Sanskrit Sansthan as indicated in the Memorandum of Association are to propagate, develop and encourage Sanskrit learning and research and to serve as a central administrative and coordinating machinery for the management of all the Kendriya Sanskrit Vidyapeethas established or taken over.

Programmes and Activities :

For the realisation of the objectives, the Sansthan

undertakes the following programmes and activities :

manages Sanskrit in various parts of the country :
conducts teaching of Sanskrit on traditional system at
graduate, post-graduate and doctorate levels :

conducts teachers training at graduate and post-
graduate level, conducts examinations at secondary,
graduation and post-graduation level including teachers
training and research degrees.

conducts and coordinates research work in various
disciplines of Sanskrit learning.

cooperates with other organisations in sponsoring joint
projects of common interest ;

builds up Sanskrit libraries and manuscript collections:
edits and publishes rare manuscripts and books of
importance;

functions as the Indian branch of the International
Association of Sanskrit Studies; and implements cultural
exchange programmes with Centres of Indology and
Sanskrit studies abroad.

Teaching :

Teaching is conducted at Shastri and Acharya levels on
the basis of a common syllabus drawn up by the Sansthan in
six of the seven Vidyapeethas which are constituents of the
Sansthan. The Sanskrit institutions managed by voluntary
organisation and which are affiliated to the Sansthan also
impart teaching with the same syllabus. In all these Vidya-
peethas there is a two year buffer course of plus two level called
Park-Shastri to facilitate students who come from non-tradi-

tional streams to fit in the traditional system of Sanskrit
education adopted by the Sansthan. In addition, in two of
the Vidyapeethas, Secondary level teaching on the 10+2
pattern is also undertaken in Sanskrit. These classes act as a
feeder for our degree classes.

Teachers Training :

In six of the seven Vidyapeethas teachers' training of
one year's duration, with emphasis on practical teaching, is
conducted leading to the award of Shiksha Shastri which is
equivalent degree to B. Ed. In two Vidyapeethas teacher's train-
ing at post-graduate level leading to the award of Shikshacharya
equivalent to M. Ed. is also conducted.

Research :

While one of the seven Vidyapeethas is exclusively meant
for carrying out research in selected branches, facilities exist in
all the Vidyapeethas for students to enrol themselves for
research, on successful completion of which, the degree of
Vidya Varidhi which is equivalent to Ph.D. is awarded to
them.

Pblication :

The Rashtriya Sanskrit Sansthan brings out three presti-
geous journals annually, namely 'Sanskrit Vimarsah', 'Shodha
Prabha', Sanskrit Vidyapeetha and Ganga Nath Jha Research
Journal : While the first journal is brought out by the Sansthan
itself, the other two are published by the Lal Bahadur Shastri
Kendriya Sanskrit Vidyapeetha New Delhi, and G. N. Jha
Kendriya Sanskrit Vidapeetha, Allahabad. In addition

publication of rare manuscripts with suitable additional *comments and commentaries is also undertaken in a phased programme.*

Cultural Exchange and Collaboration :

In accordance with the provisions of the cultural exchange agreements entered into by the Govt. of India with foreign countries, the Sansthan sends Sanskrit Scholars to various centres of Sanskrit studies abroad and receives scholars from these places. In addition the Sansthan also takes active part in the International Conferences and seminars. The Sansthan also collaborates with such internal organisations whose objectives are similar to that of the Sansthan.

Structure and Administration :

The General Body is the policy making body of the Sansthan. The Union Education Minister is its Chairman. The members of the General Body of the Rashtriya Sanskrit Sansthan are indicated in Annexure 'A'.

The Shasi Parishad is a registered body of the Sansthan. Union Education Minister is its Adhyaksha, the Special Secretary, Ministry of Education is its Upadhyakshya. In addition, there are five other members including the Financial Adviser of the Ministry of Education and the Deputy Education Adviser (Skt.) as ex-officio members. The composition of Shasi Parishad for the year is given in Annexure 'B'.

The Shasi Parishad is assisted by the following committees i

CHAPTER II

Highlights of the Year

WORLD SANSKRIT CONFERENCE

The year 1184-85 was marked by several important events. The most important event was holding of the Sixth world Sanskrit Conference held at the University of Pansylvania in Philadelphia (U.S.A.) under the auspices of the International Association of Sanskrit Studies. An official delegation from the Government of India sponsored jointly by the Rashtriya Sanskrit Sansthan, University Grants Commission and the Sahitya Academy with Dr. Mandan Mishra, Director of the Sansthan, as Convenor, participated in the Conference. Besides the official delegation, the conference was also attended to about 100 other scholars from India who took part in the sectional meetings and other seminars. Among the important highlights were poetic symposium participated in by the Sanskrit poets of India and the screening of the award winning first ever Sanskrit feature film Adishankaracharya : These were organized by the Indian delegation Valmiki Ramayana 'Dance Dtama'.

To emphasize the importance of Valamiki Ramayana and to popularise it among the masses, a dance drama on the basis of the original text of Valmiki was prepared under the auspices of the Sansthan. Three shows were staged in Delhi

including one exclusive show for the press. The recording of this dance drama was got done at Madras and the choreographers and stage artists were drawn from Delhi. The show drew a large audience including a number of foreigners from the Embassies in the capital, judges of the Supreme Court and other eminent Sanskrit lovers.

Review of Syllabus :

The syllabi and courses of studies prescribed for various examinations were reviewed and on the basis of the experience gained over the years, necessary modifications and changes were effected in the syllabi. Similarly an important change was made in the procedure of selecting scholars for research projects. Under the revised procedure the initial screening will be done by Expert Committee of the Vidyapeethas before the Principal send their recommendations to the Central Research Committee of the Rashtriya Sanskrit Sansthan. A series of meetings were held under the Chairmanship to the Vice-Chairman of the Sansthan, Prof. Kireet Joshi to discuss modalities of evolving new education. In these meetings the report on new education presented by the Committee of Vice-Chancellors of the Universities in Uttar Pradesh was also discussed. It was decided to evolve culture and value oriented education. Emphasis was also laid on the reforms desired to be brought about in the examination system and it was decided to introduce a question bank so that a student would have the option of solving required number of questions taken at random from this question bank. The proceedings of these meetings were widely circulated among the academic staff of the Sansthan both in English and Hindi and

also among other institutions.

Youth Festival :

The second Inter-Vidyapeetha Youth Festival was organised in Sri Sadasiva Kendriya Sanskrit Vidyapeetha, Puri in the month of January 1985. The festival included competitions like Shastrarth, Antakshari, Kavya Rachna and Essay writing etc. The shield was won by the Kendriya Sanskrit Vidyapeetha, Tirupati.

Lecture Series :

Under the Shardiya Jnan Mahotsava, a series of lectures were organised in all the Vidyapeethas with eminent scholars delivering lectures on selected subjects. These included various disciplines of Indian philosophy, poetics, asthetics and Education.

Facilities for Vidyapeethas :

There was a significant achievement in the matter of providing facilities to various Vidyapeethas. A plot of land measuring about half-an-acre was provided by the Delhi Development Authority for the construction of the office building of the headquarters office of the Sansthan. About 10 acres of land were provided by the U.P. Government at Gomati Nagar in Lucknow for establishment of the 8th Kendriya Sanskrit Vidyapeetha. Above all the residential complex for the staff of Shri Lal Bahadur Shastri Kendriya Sanskrit Vidyapeetha was

completed during the year. The complex was inaugurated by His Excellency Shri R. Venkataraman, the Vice-President of India.

Seminars

In collaboration with the Indian Council of Philosophical Research, two seminars were held, one in the month of July, 1984 and the other in March 1985. These were attended to by traditional and modern scholars of Indian Philosophy.

A programme of tape-recording the Shastric tradition of teaching in various disciplines was launched with the financial assistance provided by the Ford Foundation at the Vidyapeetha at Tirupati.

On the welfare side two significant steps were taken. The increase in the rate of scholarship and introduction of personal merit promotion scheme for teaching staff of Sansthan on the basis of the guidelines issued by the University Grants Commission.

CHAPTER III

Non-formal Education

The Rashtriya Sanskrit Sansthan has established a separate Unit under the Academic Section exclusively for Sanskrit teaching through the medium of correspondence. For more than 10 years this section has been organising Sanskrit Language teaching at preliminary level through correspondence with both English and Hindi mediums. This course is divided into two levels of 21 lessons each and is covered through Correspondence in a maximum period of two years. Two lessons are despatched to the registered students each month and students after grasping the lesson are expected to answer questions given in the response sheet at the end of each lesson. These response sheets are returned by students to the Headquarters Office of the Sansthan where they are evaluated by the evaluators and the corrected response sheets are returned to the students for his guidance.

During the years 1984, i. e. January, to December, 1984, 831 students were registered for these two courses as per details given below :—

<i>Ist year course :</i>	<i>No. of students</i>
(a) Hindi medium	258
(b) English medium	476
<i>II year course :</i>	
(a) Hindi medium	46
(b) English medium	51
Total 831	

A committee was set up to review the lessons of these correspondence courses as also to formulate syllabus for advanced Sanskrit language learning. This would eventually be an expected to be a two years advanced course taught through correspondance. The Committee's recommendations are under active consideration. It is proposed to hold workshops for writing a set of 40 lessons on the recommended syllabus and launch the new course in the near future.

Since the constituent Kendriya Sanskrit Vidyapeethas of the Sansthan are working as contact points, it has been decided to hold contact programmes in these Vidyapeethas where the students of the region will be invited to have a face to face contact with teachers so that difficulties encountered by them during study through Correspondence can be removed.

This course is being organized free of cost but in order to ensure that only genuine students are enrolled a token annual fee of Rs. 15/- per student in India and 10\$ per student from abroad is charged from the aspirants.

In order to make these courses more popular and to enable larger number of aspirants to avail of this facility a number of steps were taken by the Sansthan, including wide publicity in English and vernacular press through the Director of Audio Visual Publicity, letters addressed to foreign embassies and consulates in Delhi. Communications to Vice-Chancellors of the universities in India etc. As a result of these efforts that, in addition to young students, a number of high ranking officeres and people in various vocations have registered their names with the Sansthan and are learning Sanskrit through the carrespondence course.

Those who complete these courses successfully a certificate "Sanskrit Psavesha" is also issued to them,

CHAPTER IV

Expansion programme

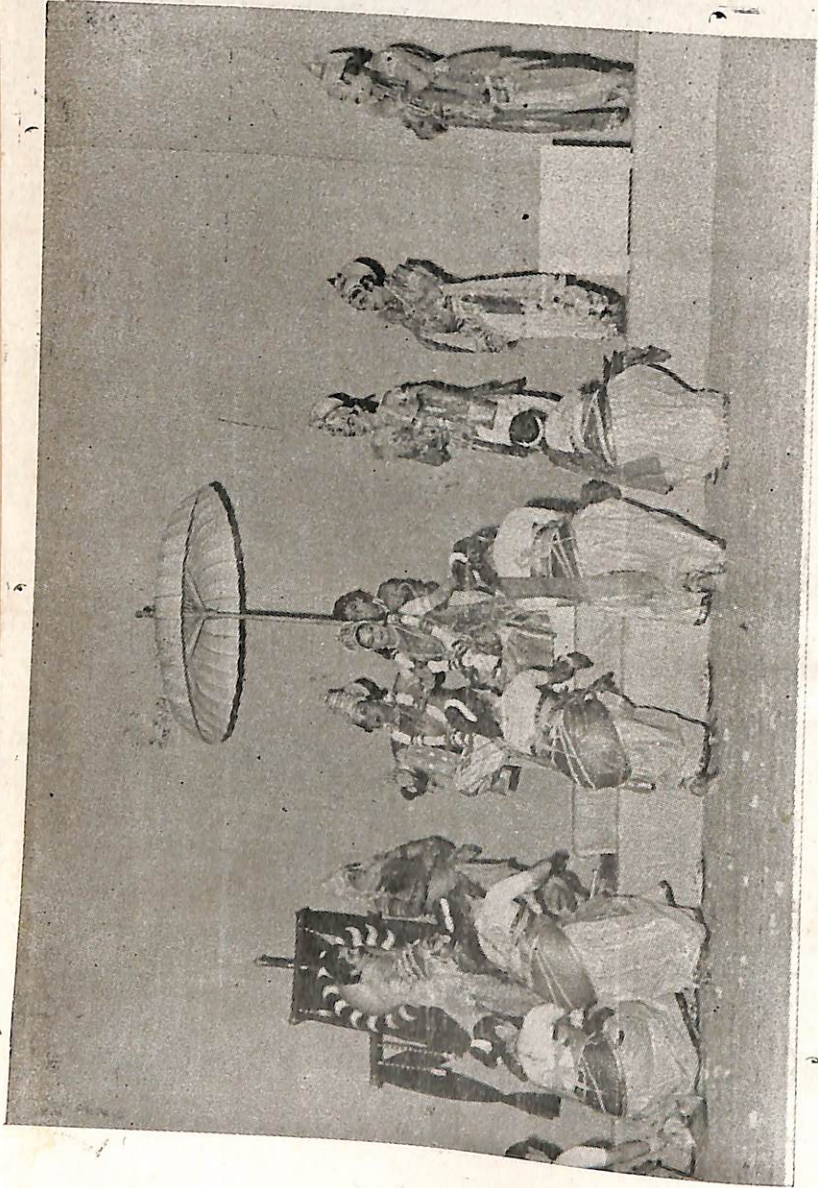

The Rashtriya Sanskrit Sansthan was established in 1971 with five constituent Vidyapeethas at Delhi, Tirupati Jammu, Allahabad and Puri. The sixth Kendriya Sanskrit Vidyapeetha was established in Kerala in July, 1979 by taking over a private Sanskrit Institution. Another Kendriya Sanskrit Vidyapeetha was established in Jaipur (Rajasthan) from July, 1983.

The Kendriya Sanskrit Parishad made in 1970 that the Rashtriya Sanskrit Sansthan should establish more Kendriya Sanskrit Vidyapeethas and coordinate their work. In implementing Parishad recommendations, efforts were made to establish Kendriya Sanskrit Vidyapeethas at several other places. As a consequence of these efforts about 10 acres of land have been obtained in Lucknow for this purpose of establishing a Vidyapeetha there from the academic session 1985-86.

There have been a persistent demand from State Government for the establishment of Kendriya Sanskrit Vidyapeethas under the auspicious of the Rashtriya Sanskrit Sansthan. The Government of Madhya Pradesh has agreed to provide a

plot of land for the establishment of a Kendriya Sanskrit Vidyapeetha at Bhopal. An announcement to this effect was made by the Chief minister of Madhya Pradesh in April, 1984. The Government of Assam has agreed to consider for making available a piece of land. There has also been a demand for establishing Vidyapeethas for specialised studies. For instance scholars represented of that Rashtriya Sanskrit Sansthan have recommended the establishment of a Kendriya Sanskrit Vidyapeetha for Buddhist Studies. To meet this demand, various alternatives have been under consideration. One of the steps being actively considered is to introduce Pali, Prakrit and Buddhist Studies as one of the subjects in Delhi Vidyapeetha at Acharya level. For this purpose, suitable syllabus has been drawn which will be eventually considered by the Academic Council of the Sansthan. The second possibility under consideration is the establishment of a full-fledged Vidyapeetha for Buddhist Studies in Arunachal Pradesh. The matter has been actively under correspondence with the State Government for allotment of suitable land for this Vidyapeetha at Bomdila. The third alternative, also under consideration, is either to establish an exclusive Vidyapeetha for this purpose at Kushinagar in Uttar Pradesh or to earmark the proposed Vidyapeetha at Lucknow itself with special emphasis in Buddhist studies.

The Shasi Parishad and the General Body of the Sansthan have time and again underscored the need for opening the Kendriya Sanskrit Vidyapeethas in the eastern States of India. With this end in view the possibility of establishing a Vidyapeetha at Calcutta is being considered in consultation with various organisations and scholars in West Bengal. Also the possibility of establishing Vidyapeethas in Assam and Manipur

is being explored. For this purpose the selection of site with due regard to the availability of physical facilities, possibility of providing infrastructure and the availability of sufficient number of students is under examination in consultation with the Departments of Education of these two Governments.

Thus, it will be seen that the Rashtriya Sanskrit Sansthan has been actively pursuing the aspect of its horizontal expansion.

As regards the vertical expansion, it is significant to note that after Shri Lal Bahadur Shastri Kendriya Sanskrit Vidyapeetha, Shikshacharya, a masters level degree course, has been introduced in the Kendriya Sanskrit Vidyapeetha, Tirupati also. Facilities for conducting research for the award of Vidya Varidhi equivalent to Ph.D. degree exist in all the Vidyapeethas. The Sansthan is actively considering introduction of research at postdoctoral level for the award of Vachaspati degree which is equivalent to D. Litt. of a university.

CHAPTER V

Curriculum and Text Books

In the school section of the our Kendriya Sanskrit Vidyapeethas at Jammu and Puri, the 10+2 pattern has been adopted. While the syllabus for various disciplines in Sanskrit is formulated by the Syllabus Committee, appointed for the purpose, for other modern subjects from the syllabus prescribed by the Central Board has been adopted. Similarly, books in Sanskrit have been prescribed on the recommendation of the syllabus Committee and for modern subjects books published by the NCERT as are applicable to the corresponding classes of the Central Board have been prescribed.

The curriculum for Shastri first year, second year and third years is of higher standard than that prevalent in Indian Universities. A number of different disciplines in Sanskrit are taught as separate subjects. In addition to Sahitya and Vyakaran subjects like Sidhanta Jyotish, Phalit Jyotish, Nyaya, Vedanta, Jain Darshan etc. also are taught as separate subjects. In order to bring them on par with students reading in modern Universities, students of Shastri classes are also required to study modern subjects like English, Hindi, Sociology, Political Science, Economics etc. For these subjects, courses of studies prescribed in Delhi University have been adopted while for Shastri subjects

the curriculum and syllabi are drawn by different Syllabus Committees appointed for the purpose. At Acharya level facilities exist only for various Shastric subjects, the curriculum for which has also been drawn up on the advice of the Expert Committees. The teaching in all the constituent Vidyapeethas as also in the affiliated Institutions (Annexure C) is carried out in the basis of the prescribed syllabus.

In case of teacher training, provision has been made both for theoretical and practical training. Here again curriculum drawn is of the same standard as is prescribed for the corresponding B. Ed. classes in Delhi.

A number of State Governments have recognised degree awarded by the Rashtriya Sanskrit Sansthan for purposes of employment (See Annexure D.). Likewise, the Association of Indian Universities as also a number of Universities and Education Boards have given recognition to the degrees awarded by the Rashtriya Sanskrit Sansthan for purposes of admission in higher classes. A list of such universities and Boards which have recognised Sansthan's degrees is indicated in Annexure E. The annexure also indicated the equivalence prescribed by them to the various degrees.

During the year under report, the prescribed curriculum and syllabus for various classes conducted by the Rashtriya Sanskrit Sansthan was reviewed and in doing so teachers teaching various subjects in various Vidyapeethas were consulted. On the basis of the experience gained during actual teaching and the suggestions given by these teachers some modifications

have been effected in the curriculum. During the discussions, various problems connected with books prescribed in the syllabus also came up for consideration and certain policy decisions are under active consideration in this regard which will be implemented from next academic session.

A scheme under which the teachers in Vidyapeethas will be asked to prepare text books for various standards and present them to the Sansthan for final approval is proposed to be launched. The idea is to bring out a set of books authorised by the Sansthan's teachers themselves and publish them for the benefit of students studying in different Vidyapeethas.

CHAPTER VI

Vidyapeethas

The Rashtriya Sanskrit Sansthan has seven constituent Vidyapeethas and most plans and projects of the Sansthan are executed through these Vidyapeethas. In addition to teaching at various levels, these Vidyapeethas also implement the schemes launched by the Sansthan with the approval and under the guidance of the Shasi Parishad. Some of the activities undertaken by Vidyapeethas during the year are discussed in the paragraph that follow.

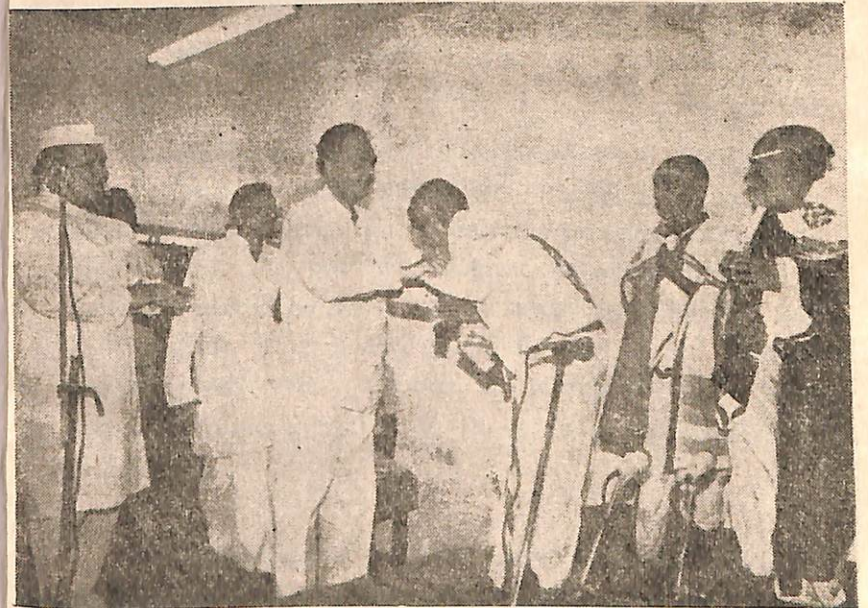

Kendriya Sanskrit Vidyapeetha, Tirupati :-

The Vidyapeetha was established in 1962 and came within the fold of Rashtriya Sanskrit Sansthan from 1971. During the year, it had 530 students on rolls including 103 research scholars and 234 students studying Sanskrit in evening classes. Five Students were prosecuting education in specialised disciplines under the Shastra - chudamani scheme.

The Vidyapeetha has brought 34 books. The then Chairman of the Rashtriya Sansthan Shri P. K. Thungon, Deputy

The Vidyapeetha is one of the two which has a Separate secondary stage wing in addition to graduate and post-graduate college section. The secondary stage has been modelled on 10+2 pattern and is manned by five postgraduate and six trained graduate teachers. The School Section had 67 students on its rolls. The College Section manned by 3 Readers, 9 Lecturers and 3 Jr. Lecturers has 212 students on its rolls. In addition, there were 60 students in the teachers' training wing. Under the Shastrachudamani scheme distinguished scholars in Vyakaran, Nyaya, Darshan and Jyotish were engaged for indepth teaching of these disciplines.

The Vidyapeetha library consists of more than 22,000 books and a reading room equipped with a number of magazines and newspapers. A number of scholars were invited to deliver extension lectures on various subjects and the annual convocation was held under the chairmanship of the Vice-Chancellor of Jammu University where the State Minister for Revenue and Law, Shri P.L. Handoo was the chief guest.

The Shaiva Darshan Kosha project initiated in the Vidyapeetha has made a significant progress in compilation

of the technical terminology used in Kashmir Shaiv Darshan and in the preparation of the fascicule for circulation among the scholars. In addition, under this project an important work "Swarantra Darpan" on Kashmir Shaiv Darhan was brought out.

The Vidyapeetha provided hostel facilities to 80 students. The students were taken to Varanasi and Saruinsar for educational tour. The students of the Vidyapeetha are given physical training. They take part in sports and also in various competitions. Their performance at the inter-Vjdyapeetha Youth Festival at Puri was also acclaimed by one and all.

Kendriya Sanskrit Vidyapeetha Puranattukara Guruvayoor

The Vidyapeetha, which was earliar situated at Pavaratty, has now shifted to its campus of about 14 acres of land at Puranattukara near Trichur. The Vidyapeetha is running in a functional building constructed at the new campus pending construction of permanent building. The old building at Pavartty is also being put to effective use for various activities of the Vidyapeetha. During 1984-85 there were 238 students on the roll of the Vidyapeetha, including 46 in the Shiksha Shastri and 4 in Vidya Varidhi classes. 12 students were awarded scholarship on the basis of their merit. Students participated in the Youth Festival at Puri where two of them received prizes and certificates. They also participated in the social service programmes and a number of cultural activities.

During the year a number of distinguished scholars were invited to deliver extension lectures in the Vidyapeetha. The annual convocation was also held with Dr. K. Gopalan, Vice-Chancellor, Cochin University in the Chair and Dr. T.N. Dhar, J.E.A., Ministry of Education delivered the convocation address.

During the year under report, the Devangari rendering of 16 selected Sanskrit manuscripts in Malayalam script was completed. Besides, press copies of 4 commentaries were completed for publication. Arrangements are afoot to convert this Vidyapeetha into a specialised centre for the study of Advaita Vedanta and also to start adult education and vocational courses. It is also proposed to bring out critical editions of the texts pertaining to traditional art forms of Kerala such as Kudiattam, Mohiniattam, etc.

In the lecture-series of the Jaipur Vidyapeetha; Sri Ramani (Secretary, Culture, Rajasthan), Acharya Badari Nath Shukla, Acharya Pattabhiram Shastri & Dr. R. C. Dwivedi.

Kendriya Sanskrit Vidyapeetha, Jaipur

This is the youngest in the family of Kendriya Sanskrit Vidyapeethas of the Rashtriya Sanskrit Sansthan having been started from the academic year 1983-84. It is, at present, situated in a rented building. The Jaipur Development Authority has however agreed to procure land measuring about 7 acres for the Vidyapeetha.

During the year 1984-85, 130 students were on rolls of the Vidyapeetha of whom 78 were provided with merit scholarship and 25 free hostel facilities. About 2,500 books costing around Rs. 1 lakh were added to the library of the Vidyapeetha which has now a collection of 4,500 books.

Two Sanskrit scholars of repute, namely, Acharya Badri Nath Shukla and Acharya Pattabhiram Shastri delivered extension lectures in the Vidyapeetha in Feb. March 1985. An All India Sanskrit Education conference was held at Jaipur during the same month. The Principal of the Vidyapeetha and another member of the teaching staff took active part. A team of 9 students participated in the inter-Vidyapeetha Youth Festival held at Puri in which one of them got the third prize and another a special prize. Similarly, a team of 5 students of the

Vidyapeetha participated in Sanskrit elocution competition held at Calcutta and one of them earned a gold medal. Similar literary competitions were held in the Vidyapeetha from time to time. One student of this Vidyapeetha got the first position in Sanskrit Speech competition organised by Rajasthan Sanskrit Academy and another got second position in the function organised by Shri Dadu Acharya Mahavidyalaya. In the competition organised by the Sanskrit Department of the Rajasthan University, students of this Vidyapeetha obtained the first and the third positions.

The first convocation was held in the month of March, 1985 under the chairmanship of the Education Minister of Rajasthan. The convocation address was delivered by Union Minister of State for Petroleum and Chemicals.

A consultative Committee for the Education Research and Publication has been constituted for this Vidyapeetha which held its first meeting in the month of September, 1984. Some valuable suggestions and recommendations have been made by this committee for undertaking research, enrichment of its library and for maintaining a high standard of education in the Vidyapeetha. The Vidyapeetha has taken into hand publication of two books and proposal for the publication of six more books has been sent to the Sansthan for consideration by the Central Publication Committee.

CHAPTER VII

Conference and Seminars

The Rashtriya Sanskrit Sansthan functions as Indian branch of the International Association of Sanskrit Studies with its Headquarters at Paris. After a very successful fifth world Sanskrit Conference held under the auspices of the Rashtriya Sanskrit Sansthan at Varanasi in 1981, the Sixth World Sanskrit Conference was held in October, 1984 at Philadelphia. Dr. Ernest Bender, well-known Sanskrit scholar of the U.S.A. was the Chief Organiser of the Conference which was held in the campus of the University of Pennsylvania. The Rashtriya Sanskrit Sansthan was represented, besides its Director, Dr. Mandan Mishre by Dr. P.N. Kawthekar from Indore, Dr. Mrs. T.S. Rukamani from Delhi, Dr. Mrs. S.S. Janaki from Madras and Dr. R.P. Dwivedi from Banaras. Dr. Mandan Mishra read a paper on Jaimini the founder of Mimamsa school of philosophy and also presided over various sectional meetings and seminars. He addressed the Conference in Sanskrit highlighting the various steps taken by Government of India for popularising Sanskrit and also enumerated the achievements of the fifth World Sanskrit Conference. The other delegates also read their papers and attended sectional meetings and seminars.

A Sanskrit Kavi Goshthi was also organised which was presided over by the Director of the Rashtriya Sanskrit Sansthan and in which various Sanskrit Poets from India recited their compositions. The Sanskrit Sansthan had also organised a film show of the Sanskrit film Adishankaracharya. Copies of the first volume of the proceedings of the fifth World Sanskrit Conference, of the Research Journal Shodhprabha and other literature published by the Rashtriya Sanskrit Sansthan were also distributed in the conference.

In collaboration with the Indian Council of Philosophical Research, Delhi, a seminar on the interaction between modern and traditional scholars of philosophy was organised under the Chairmanship, of Prof. D.P. Chattopadhyaya at Shastri Bhawan. A wide range of modern and traditional philosophers attended the conference and discussed the ways and means of acquainting the modern philosophers of the traditional concepts of Indian philosophy and of giving an idea of the modern approach in the field of philosophy to the traditional Sanskrit school. During this conference various scholars of philosophy which were in danger of getting extinct were identified and it was decided that these disciplines namely Nyaya, Mimansa, Kashmir Shaiv Darshan etc. should be given priority so that wisdom of these schools of thought is not lost to the progeny. A small committee under the Chairmanship of Prof. Daya Krishan was constituted to formulate and organise programmes in order to give practical shape to the decisions taken in the conference. As a sequel to this, a seminar on the Nyaya school of thought was organised in New Delhi in the month of March. It is hoped that similar seminars on their disciplines will follow. The pro-

ceedings of these seminars are planned to be published for the benefit of research scholars.

An important decision taken in the conference was to compile a 'who's who' of Sanskrit scholars. Accordingly, this project has been taken in hand and full details of the like, lineage and the work of various scholars are being collected for eventual compilation.

Research & Publications

Research

The Rashtriya Sanskrit Sansthan registers students for research leading to the award of Vidya Varidhi degree. During 1983-84, 125 students were registered in various Vidyapeethas for conducting research under the guidance of Professor, Readers and Sr. Lecturers of the Sansthan. During the year 13 students successfully completed their research and were awarded the degree of Vidya Varidhi.

The Sansthan has launched three schemes of preparation of encyclopedea of technical terminologies used in three different disciplines of Indian philosophy. A brief account of these schemes is given below :—

(i) *Preparation of Darshan Kosha at Shri Lal Bahadur Shastri Kendriya Sanskrit Vidyapeetha, New Delhi* : Under this project technical terms used in the Sankhya school of Philosophy have been collected and are being compiled into a Kosha giving a brief description of the terms, the various ways of usage and illustrations from the ancient literature. The press copy of this Kosha was prepared during the year and is likely to be printed shortly.

(ii) *Preparation of Agama Kosha at Kendriya Sanskrit*

Vidyapeetha, Tirupati : Under this project the encyclopaedea of technical terminology used in various Agamas is being compiled. During the year under report, some more technical terms were added to the collection already made during previous years.

(iii) *Preparation of Kashmir Shaiv Darshan Kosha at Shri Ranbir Kendriya Sanskrit Vidyapeetha, Jammu* : Under this project technical terminology of Kashmir Shaiv Darshan is being compiled. About 75% of the material has been collected so far and a fascicule is under preparation which will be published and circulated among various scholars to elicit their opinion before the final Kosha is compiled and printed.

A project has been launched for compilation of A students' compendia in three Volumes from Sanskrit classics. During the year selection of necessary material was completed. This will be compiled and arrangements made to get it printed. In addition, text books from K.G. Class to 8th standard are also under preparation.

Publications : The Rashtriya Sanskrit Sansthan has brought out 150 prestigious publications. During the year under report, while 20 books were published, 15 more were in press. The details are as under :

In addition to the above, 900 students appeared at the first year of the school examination which were conducted logically. In accordance with the decision taken by the Academic Council of the Sansthan, the question papers for exam examinations were provided by the Head Quarters Office of the Sausthan.

(C) *Scholarships* : The Rashtriya Sanskrit Sansthan grants scholarship to the meritorious students studying in its constituent Vidyapeethas. The rates of scholarships were revised and the revised rates were prescribed as indicated below :

Class	Previous rates of scholarships per month	Revised rates (in Rupees)
Prathama	40	40
Purva Madhyama	45	45
Uttar Madhyama/Prak Shastri	45	50
Shastri	75	100
Acharya	100	150
Vidya Varidhi	300	500
Shiksha Shastri	100	100
Shikshacharya	100	150

In addition to the monthly scholarship, contingent grant of Rs. 1000/- is also paid annually for Vidyavaridhi, Rs. 500/- for Shikshacharya.

The total number of students who were awarded scholarships during the year under report is given below :—

Vidyapeetha	No. of students
Kendriya Skt. Vidyapeetha, Tirupati	155
Sh. Lal Bahadur Shastri Kendriya Skt.	

Vidyapeetha, Delhi.	345
Sr. Sadasiva Kendriya Skt. Vidyapeetha, Puri.	318
Shri Ranbir Kendriya Skt. Vidyapeetha, Jammu.	261
Kendriya Skt, Vidyapeetha, Guruvayoor.	81
Kendriya Skt, Vidyapeetha, Jaipur.	78

These scholarships are paid strictly on the basis of merit determined with reference to the previous examination conducted by the Rashtriya Sanskrit Sansthan.

The Rashtriya Sanskrit Sansthan is also implementing the agency for the three scholarship schemes of the Ministry of Education, Govt. of India. These are :—

- (i) National Scholarship for the students of Shastri and Acharya.
- (ii) Post Matric Scholarships.
- (iii) Research Scholarships for students of traditional Sanskrit Pathshalas.

These scholarships are awarded to the students prosecuting studies in the three Sanskrit Universities namely, Sampooranand Sanskrit Vishwavidyalaya, Varanasi; Kameshwar Singh Darbhanga Sanskrit University, Darbhanga and Shri Jagannath Sanskrit Vishwavidyalaya, Puri and the students studying

Sanskrit at various levels in the colleges and the universities all over India. During 1984-85, the number of scholarships awarded was as under :—

- (a) Vidya Varidhi in the three Sanskrit Universities named above, Banaras Hindu University, Rajasthan University, Jaipur and Kupuswami Shastri Research Institute, Madras. 40
- (b) Students conducting research for the award of Ph. D. in other Universities in India. 80
- (c) Students prosecuting Sanskrit studies in the traditional way in Sampooranand Sanskrit Vishwavidyalaya, Banaras Hindu University, Varanasi, Shri Jagannath Sanskrit Vishwavidyalaya, Puri, Banasthali Vidyapeetha etc. in Acharya classes. 198
- (d) Students studying at M.A. level in other universities of India. 176

Students conducting research for Vidya Varidhi or Ph.D. were paid at the rate of Rs. 4, 100/- per annum (Rs. 300/- per month and a contingent grant of Rs. 500/-). The students studying Sanskrit at Acharya or M. A. level were paid at the rate of Rs. 1000/- per annum (at Rs. 100 per month for 10 months). Students studying Sanskrit at Shastri and B.A. levels could not be awarded any scholarship for want of sufficient funds. The Ministry has made a provision of Rs. 9.50 lakhs per annum for the award of these scholarships as against which Rs. 9.56 lakhs was disbursed during the year. The Ministry has been requested to increase the grant-in-aid for scholarship so that the

students prosecuting studies in Sanskrit at various prescribed levels can be given scholarship.

While distributing the amount of scholarship the Registrars concerned of the university were requested to ensure that scholarship amount is paid on the basis of merits and after verifying that a student is not gainfully employed or is not in receipt of scholarship from other source. The award of scholarship for subsequent years is released only after obtaining the progress report, utilisation certificate and the advance cash receipt from the recipient scholars. There has been a demand to increase the rates of scholarship but this demand, although justified, has not been met so far for paucity of funds.

CHAPTER X

Administration, Finance & Welfare

Administration :

The Director is the chief executive of the Sansthan. In the matter of administration, he is assisted by a Deputy Director. In addition to dealing with general administration of the Sansthan Headquarters and the constituent Vidyapeethas, the Section also plans appointments, postings, transfers and other establishment matters. It is through this Section that opening new Vidyapeethas was pursued during the year with various State Governments concerned. The Section arranged for the meetings of the Department Promotion Committee for confirmation of the officiating staff against permanent vacancies, clearing the probation period of the employees who had completed their probation period successfully etc. Because of the ban on creation of posts and fresh appointments the required complements of the staff could not be provided in the Vidyapeethas, although the Section has worked out full requirements of various faculties. A meeting of the Shasi Parishad was convened on 2nd March, 1985 in which the action taken on the recommendations and the directions of the Shasi Parishad were

reported and fresh mandate obtained for future programmes. The report of the activities of the Sansthan for the year was also made to the General Body of the Sansthan in the annual general meeting held on 29th March, 1985.

One of the most significant acts of administration during the year was introduction of personal merit promotion scheme for the teaching staff on the guidelines provided by the University Grants Commission. The eligible teachers (both Lecturers & Readers) with prescribed number of years of service in the Rashtriya Sanskrit Sansthan were asked to submit details of their qualifications, achievements research done and other innovations made in the field of teaching. These reports were examined by separate expert committees appointed for separate subjects. Teachers who were recommended for merit promotion by these experts were subjected to personal interview by Screening Committees. Consequently 33 Lecturers were promoted to the post of Readers and 4 Readers promoted to the post of Professors.

Finance :

As in earlier years the Sansthan was fully financed by the Ministry of Education by way of grant-in-aid. During 1984-85, an amount of Rs. 226.80 lakhs was further distributed under :

1. Headquarters	Rs. 40.30 lakhs
2. Delhi Vidyapeetha	Rs. 48.00 lakhs
3. Tirupati Vidyapeetha	Rs. 24.00 lakhs
4. Allahabad Vidyapeetha	Rs. 19.00 lakhs

5. Jammu Vidyapeetha	Rs. 21.50 lakhs
6. Puri Vidyapeetha	Rs. 24.50 lakhs
7. Guruvayoor Vidyapeetha	Rs. 23.00 lakhs
8. Jaipur Vidyapeeth	Rs. 09.00 lakhs
9. Lucknow Vidyapeetha	Rs. 17.50 lakhs

Total Rs. 226.80 lakhs

These funds were utilised during the year and an un-spent balance of Rs. 23.63 lakhs was left over to be spent during the first few months of the following financial year till the first instalment of the grant-in-aid was received. The consolidated receipt and payment account for the year 1984-85 is given in annexure 'F'.

In the continued endeavour of clearing the backlog of accounts, the annual consolidated accounts for 1982-83 were got amended by the Director of audit central revenues and were sent to the Ministry for submission to the Parliament. Similarly, account for 1983-84 of individual Vidyapeethas were got audited by the respective Accountants General acting as sub-Audit Officers of the Director of Audit Central Revenues. These were consolidated and submitted to the D.A.C.R. for audit and certification.

With the efficient management of the finances of the Sansthan and its constituent Vidyapeethas, it has been possible to pay an amount of Rs. 17.00 lakhs approximately to the Lucknow Development Authority for 10 acres of land for the proposed Kendriya Sanskrit Vidyapeetha at Lucknow. A piece

of land was also purchased at cost of Rs. 3 lakhs app. from the Delhi Development Authority for housing the Headquarters Office.

During the year under report, the residential complex of Shri Lal Bahadur Shastri Kendriya Sanskrit Vidyapeetha was got completed by the C.P. W.D. The Sansthan prepared proposals for the Seventh Five Year Plan and submitted them to the Ministry of Education for incorporation in their Plan development of Languages. In addition to the proposal for establishing five more Vidyapeethas other salient features of this plan included opening of Sanskrit Vidyalayas to act as feeder institutions and establishment of District Centres for the propagation of Sanskrit education.

The Finance Committee of the Rashtriya Sanskrit Sansthan met on 18th December, 1984 (16th Meeting). The Budget estimates of the Sansthan were scrutinised, the annual accounts for 1982-83 approved and other financial matters and proposals with financial implications were considered in the meeting. As provided for under rules recommendations of the finance Committee were placed for approval before the Shasi Parishad.

In addition to the management of the main tenance grant the finance Section of the Sansthan also arranged distribution of scholarship to various universities under the three schemes of the Ministry of Education. For this purpose, the Ministry had released a total grant of Rs. 9.50 lakhs which was fully utilised in awarding scholarship and only a small unspent balance was left over.

WELFARE :

In addition to the award of scholarships to meritorious

students in Sansthan's Vidyapeethas, another facility for the welfare of students is the provision of free hostel accommodation. The facilities during the year was as under :

Puri Vidyapeetha	218
Tirupati Vidyapeetha	113
Delhi Vidyapeetha	78
Jammu Vidyapeetha	52
Jaipur Vidyapeetha	25
Total :	486

N.C.C. Camps were organised in all the Vidyapeethas for teacher trainees in the Shiksha Shastri courses. Students from various Vidyapeethas were taken on educational tours to various places of historical interest. Individual Vidyapeethas organised various competitions in which prizes were distributed and in addition, an All India inter-Vidyapeetha Youth Festival was organised in which the participants, showing outstanding performance, were given prizes and the Vidyapeethas which secured the highest number of first positions was given a shield.
