Article 3

The MoU will not give rise to any financial obligation by one partner to the other and each partner will bear its own cost and expenses in relation to the academic activities under this MoU.

Appropriate institutional approval will be sought for program development and implementation. All policies and procedures within each institution, including ministerial and accreditation approval will be sought and followed.

The parties intend that any agreement for academic cooperation in relation to specific program activities will be documented in a separate and formal agreement executed by the parties in accordance with the policies and procedures of the respective parties. Except for the obligations under Article 6, this MoU does not give rise to any contractual relationship between the parties itself, or create any legal obligations on either party, including an obligation to enter into a formal and separate agreement at any time.

Article 4

This MoU will be implemented within the framework of the legal and administrative conditions to which the respective institutions are subject.

Article 5

To administer and facilitate this cooperation, each party will designate an appropriate office to coordinate activities resulting from this cooperation.

Article 6

Both parties will maintain in confidence the confidential information, if any, disclosed by the other party. Confidentiality obligations shall survive for 3 years from the date of disclosure, notwithstanding the expiration of this MOU.

All confidential information shall remain the property of the discloser and upon the request of the Discloser, the discloses shall, as soon as possible, return or destroy all confidential information (and any duplicates thereof).

Notwithstanding the foregoing, discloses may disclose the discloser's confidential information to the extent required to disclose such confidential information pursuant to law, regulation or stock exchange rules, or by order of a court or administrative agency.

Article 7

Any Intellectual property right brought by one of the parties for the implementation of the cooperation activities under this MoU shall remain the property of the party. However, that party shall indemnify that the intellectual property right has not resulted from the infringement of any third party's legitimate rights. further, that party shall be liable for any claim made by any third party on the ownership and legality of the use of the intellectual property right which is brought in by the aforementioned party for the implementation of the cooperation activities under this MOU.

Any Intellectual Property Right, data and information resulting from research activities conducted under this MoU shall be jointly owned by two parties, and both parties shall be allowed to use such property for non-commercial purposes free of royalty. Should the intellectual property right, data and information resulting from the cooperation activities under this MoU be used for commercial purposes by one party, the other party shall be entitled for the share on the basis of the principle of equitable contribution. In such a case, the object of the research activities conducted shall constitute a part of the constitution of the party from which the object derives.

If either of the parties wishes to disclose confidential information/or information resulting from the cooperation activities under the MoU to any third party, the disclosing party must obtain prior consent from the other party before and disclosures can be made.

Article 8

Difference arising out of the interpretation on the implementation of the MoU shall be settled amicably by consolation or negotiation between the parties.

Article 9

Either party shall be entitled to obtain such publicity as it considers necessary relating to the subject matter provided that any press releases and other material (including electronic) shall be approved as to form and content by both parties in writing. At Institut Agama Hindu Negeri Gde Pudja Mataram, the Rector will seek this approval according to policy and procedures of Institut Agama Hindu Negeri Gde Pudja Mataram. Institut Agama Hindu Negeri Gde Pudja Mataram's name and logo may not be used without written permission from them.

At Central Sanskrit University, the Pro Rector will seek the approval according the policies and procedures as framed by the Governing Council of Central Sanskrit University.

Article 10

This MoU will remain in force for five (5) years and will become effective upon the date of signature by duly authorized representatives of both parties. The terms of the MoU can be modified at any time by mutual agreement communicated in writing. This MoU shall be automatically extended for another five (5) years and the same rule shall apply thereafter unless either partner gives written notice of termination to the other party no later than six (6) months before the expiry date. MoU may be terminated with mutual consent of the parties.
