Different centers of Non-Formal Sanskrit Education were inaugurated by the distinguished persons of the society. All the Centre Incharges, Centre coordinators and Sanskrit Teachers have extended their full cooperation in proper conduction of these centres. The institutions running these centres gave advertisements, news and notices in the leading newspapers of National level, local newspapers and magazines. Propagation and promulgation was undertaken through banners and handbills also. Grand inauguration and valedictory functions were organised at centres.

Study material of Prathama Diksha was the main base of the study material at the centres. Rashtriya Sanskrit Sansthan has Prepared and published this material. This material was made available to the students at cost price. Certificates of participation were awarded at the end of the Prathama Diksha to those students who had either attended minimum 75% of their classes or who had passed the examination conducted by their local centres. At the end of Prathama Diksha, Sansthan had invited letters regarding counsel from the students in connection with the study material. Students have regarded the study material as excellent from the point of view of sequence, approachability, diversity of exercises and teaching methodology.

Along with the study of quarterly course, various cultural programmes and competitions were also organised at different centres.

These Non-Formal Sanskrit Education centres were not only conducted in cities and metropolitan cities of the country, but they were also conducted in remote small villages, small towns, inaccessible areas of Jammu & Kashmir and north-east states.
